

## — LOCATING YOUR MASK'S — SERIAL NUMBER

Each Déesse Pro mask has a unique 7 digit serial number which can be used to activate our 12 month warranty.

Locating your mask's serial number can be quite tricky if you don't know where to look.

The serial number is located in 2 places:

### ON THE BOTTOM OF THE CONTROL BOX

You can locate the serial number on the bottom of the mask control box.

### ON THE OUTER CARTON THE MASK IS SUPPLIED IN

You can also locate the serial number on the outer carton the mask is supplied in.
